These terms apply to every order for the (e)book "Understanding Sustainable Behaviour" placed on our website.

2. Price and payment

All prices are in euros and include VAT. You pay through Mollie, using the payment methods shown at checkout. Your order is final once your payment succeeds.

3. The agreement

The agreement is concluded when we receive confirmation of your payment. We then send you an order confirmation by email together a copy of these terms. The email is also your invoice.

4. Delivery

We deliver the eBook by email, immediately after payment, to the address you entered in the order form. If nothing arrives within 30 minutes, check your spam folder and then contact us. You are responsible for entering a correct email address.

The hardcopy book is delivered by post. It will take a few days to arrive.

5. Right of withdrawal for consumers

If you buy as a consumer, you normally have 14 days to withdraw from an online purchase. For digital content that is delivered immediately, this right ends as soon as delivery starts. This applies only if you expressly agreed to immediate delivery and confirmed that you lose your right of withdrawal, which you do with the checkbox in the order form.

If you buy on behalf of an organisation, no right of withdrawal applies.

6. Licence and intellectual property

The (e)book is protected by copyright, and the rights remain with the author Durk Bosma. Your purchase gives you a personal, non-transferable licence to read and store the (e)book for your own use. You may print or copy it for personal use.

You may not copy, share, resell, publish, or upload the eBook, or distribute it within your organisation. If you want to share it with colleagues, contact us for a multi-user licence.

7. Content and liability

The (e)book offers general information and is not professional advice. You are responsible for how you use it.

To the extent the law allows, we are not liable for damage resulting from the use of the (e)book. Our total liability is limited to the price you paid. This limit does not apply to intent, gross negligence, or anything the law does not allow us to limit, including your statutory rights as a consumer.

8. Complaints

Send complaints to info@futureoffood.institute. We reply within 14 days.

9. Privacy

We handle your personal data as described in our privacy statement.

10. Applicable law

Dutch law applies to these terms. Disputes go to the competent court in The Hague. If you are a consumer, you keep the protection of the mandatory consumer laws of the country where you live.

11. Changes

We may change these terms. The version that applied when you placed your order stays valid for that order.
